VERSE (6x) m.1

VERSE-1 (2x) m.25

She sat and sang always  
By the green edge of a stream  
Watching the fish leap and play  
Beneath the glad sunbeam

VERSE-2 (2x) m.33

She sang a song so old  
A thousand years if a day  
And the story that she told  
Was of love that died away

VERSE m.41

CHORUS m.45

I wept for memory  
She sang for hope that is so fair  
My tears were swallowed by the sea  
Her songs died on the air

VERSE (6x) m.53

VERSE-3 (2x) m.77

I sat and wept always  
Beneath the moon's shadow beam  
Watching the blossoms of May  
Weep leaves into the stream

CHORUS m.85

I wept for memory  
She sang for hope that is so fair  
My tears were swallowed by the sea  
Her songs died on the air
